

Country Club Estates Homeowners Association Board Meeting

Wednesday, December 13 2006; 6:30-8:00 p.m.

The December meeting of CCEHA was called to order by Bill Duncan, President. All board members were present except Marc Diltz.

Bill addressed the rumors regarding the increase in association fees. The covenants state that dues can not be more than \$400 per year. To change this covenant, a 75% vote must be obtained by the CCEHA membership.

Approval of Meeting Minutes

The minutes of the November 8, 2006 meeting were approved as presented with Don Ward making the motion and Clete Jackson seconding the motion.

Treasurer's Report

Rudy Rosenquist gave the treasurer's report. There was income of \$1811.32; expenses of \$655; \$30,000 was invested with Fidelity (\$8.32 interest); Checking account balance is \$17,079.

Board Long Range Planning Committee

Don Ward and Rudy Rosenquist reported from this committee. They summarized the committee's recommendation to the Board of purchasing the 3 acre property across from the CCE Office for \$28K. The feasibility study (plot plan) was discussed. This will show the best utilization of the 3 acres (layout of the clubhouse and layout of land for future use) and will be used as the bid documents. The property is zoned commercial and will remain zoned as such.

Funding of the property was discussed. The funding is in place to do the purchase in 2007 and to do the feasibility study with projected income and present funds. The committee has contacted a bank regarding a construction loan. The bank requires we have 20% investment in the project which would be satisfied by the purchase of the land.

The committee is proposing to make a small increase in dues/fees (\$50/year) as well as an increase of \$50 in the initiation fee and recommending a transfer fee of \$200 to be payable by the buyer at the resale of a home. These budget changes will be proposed at the annual meeting.

Board meeting schedule for 2007

Don Ward proposed that the CCEHA Board Meetings be held quarterly in 2007 and if more meetings are needed special meetings would be called. Marta suggested meeting every other month. After discussion by the Board, Marta Jackson moved that moved that the Board meet in odd numbered months every other month; with special meetings called as necessary starting in January 2007. Clete Jackson seconded. Motion passed.

Qwest/DSL Discussion

A local representative from Qwest has been invited to address the January Board meeting. He will be addressing questions regarding the installation of DSL in CCEHA. At this meeting he will also be compiling a list of interested parties for future DSL installation. The possibility of DSL installation in our neighborhood will be based upon the volume of interest in the neighborhood. If you are interested in Qwest DSL and are not able to attend the Board meeting on January 10, please give your name to Marta Jackson prior to this meeting.
