PRESIDENT'S MESSAGE—

Thanks to the efforts of Jim Reedy and the Facilities Committee we finally have the clubhouse ready to use. I hope to see all of you at the dedication on Oct. 17th, 10 am to noon. At that time we will have time to look around and also to learn about other plans for the building's use.

Now that the building is complete we are having our monthly board meetings in the clubhouse and strongly encourage your attendance so that we can obtain input from you on the business of the organization. Remember our meetings are the first Thursday of each month at 9:00 am. The minutes and agenda are posted on the bulletin board in the window so you can keep up with our work. We look forward to seeing you.

Mike

PLACES TO VISIT---

THE BEST KEPT SECRET-----

The sign says "GIFT SHOP, OLD FASHIONED HAMBURGERS, CAFE". It's the "Lazy E" and they fix the best hamburger - cheese-green chile sandwich you will ever have and the best milkshake tops it off. Their breakfasts are awesome. A good place to stop early on the way to Las Cruces, and stop on the way back for that hamburger and shake.

Located at Exit 116 off I-10 between Deming and Las Cruces.

COOKS CORNER— POT ROAST BRECKENRIDGE

from the Colorado Cache Cookbook

- 1 3-pd bottom round beef roast
- 1/4 cup butter
- 3 carrots, chopped
- 4 stalks celery, chopped
- 1/2 cup chopped onion
- 1 clove garlic, minced
- 1/4 pd. Mushrooms, chopped
- 1 10 1/2 oz. can consomme
- 1/2 cup dry red wine
- 2 tsp. Salt
- 1/8 tsp. Pepper
- 1/2 tsp. Paprika
- 1 tabl. Capers
- 1/4 cup flour (optional)
- 1 cup sour cream

4-6 servings—

Brown roast in butter in a large Dutch oven. Add carrots, celery, onion, and garlic to pan and cook until onion is limp. Add mushrooms. Combine half of the consomme with the wine, salt, pepper, paprika and capers. Add to beef. Cover and bake at 350 degrees for 2 hours, or until meat is tender. Remove meat to a heated platter. With a slotted spoon remove most of the vegetables from the pan liquids and puree them in a food processor or blender. Return the puree to the pan. Combine flour, if desired, with remaining consomme and stir into pan liquids. (if not using flour, just add consomme) Cook until sauce boils and thickens. Stir in sour cream and heat but do not boil. Serve over the sliced meat.

**MEET YOUR NEIGHBOR
PETER AND JOAN PARPARTIS**

2908 Wedge Road

Peter and Joanie are one of our latest neighbors and they came from Florida. When asked why Deming, they said it was the weather that brought them here. Before they retired Peter was a bus driver and Joan was in electronics.

What do you like to do in your spare time? - Peter plays the accordion and Joan likes to cook. (good combination - don't we all like music while we cook.)

What activities would you like to see at CCE? - Peter says Party's and Dancing . Joan says "I'm with you"

Their favorite trip was to Europe. This couple is a must meet. You will enjoy.

We all enjoyed Peter and his accordion at our 4th of July potluck.

Paul and Val Downs

3008 Wedge Road

Paul and Val "just happened on to it" (Deming) while vacationing in Las Cruces area.

They have been married for 37 yrs. And worked for PPG Industries for 30 - 31 yrs. They lived in western and south central Pennsylvania. They have no children but lots of nieces and nephews.

Paul likes to hunt and "plays at golf" and Val used to be an avid dancer - all kinds except country. They both like to travel and they enjoy horseback riding.

One of their favorite trips was spent on a dude ranch in Colo. They also enjoyed a trip to Hawaii.

Their house is for sale, but we all hope they will decide to stay at CCE.
